DRUGGISTS AND CHEMISTS dealing in morphia are hereby informed that, in consequence of the spread of the morphia habit in Rangoon, action has recently been taken by the Government of Burma to restrict dealings in the drug in that province. The result of this action is that the drug may now be imported otherwise than by Government by the following persons only:—

(a) A medical practitioner, if the morphia is produced out of India and is imported by sea. A medical practitioner is defined as a person who has been registered under an English Medical Act or who has received a medical diploma from an Indian University and who practises medicine according to European methods.

(b) Any pharmacist duly authorised by the Financial Commissioner to import morphia in such quantities and on such conditions as the Financial Commissioner may prescribe. A pharmacist is defined as a person who deals in European medicines and drugs as a means of livelihood and who has been licensed to sell morphia retail.

It has been decided for the present to grant only one license for import by a pharmacist, namely, to the firm of Messrs. E. M. DeSouza and Company, Rangoon, and to limit the quantity of morphia which can be imported by them at one time to 100 oz.

NOTICE.**For Medical Practitioners, Druggists and Chemists.**

IN consequence of the spread of the morphia habit in Rangoon, action has recently been taken by the Government of Burma to restrict dealings in the drug in that province. The result of the action is that the drug may now be imported otherwise than by Government by the following persons only:—

(a) A medical practitioner, if the morphia is produced out of India and is imported by sea. A medical practitioner is defined as a person who has been registered under the English Medical Act or who has received a medical diploma from an Indian University and practices medicine according to European methods.

(b) Any pharmacist duly authorised by the Financial Commissioner of Burma to import morphia in such quantities and on such conditions as the Financial Commissioner may prescribe. A pharmacist is defined as a person who deals in European medicines and drugs as a means of livelihood and who has been licensed to sell morphia retail.

It has been decided for the present to grant only one license for import by a pharmacist, namely, to the firm of Messrs. E. H. deSouza and Company, Rangoon, and to limit the quantity of morphia which can be imported by them at one time to 100 oz.

As there is some reason to fear that chemists and druggists in Calcutta may send consignments of morphia to Burma in ignorance of the regulations mentioned above, this notice has been issued to make the regulations known to them.

The Commissioners for the Port of Calcutta.**NOTIFICATION.**

THE following revised scale of charges for night work for shipping exports at the Dock and Jetty, framed by the Commissioners for the Port of Calcutta under section 105, Act III (B.C.) of 1890, and approved by the Local Government in letter No. 2027-Marine, dated 15th December 1905, is published for general information in accordance with the provisions of section 107 of Act III (B.C.) of 1890—

1 Charge for each crane per hour, covering cost of all other services rendered—

	Rs.	As.
3 Cranes or less	...	3 0
4 Cranes	...	2 13
5 Cranes or more	...	2 9

2 A vessel supplied at the Docks with Electric lights for deck and hold will be charged Rs. 7-8 from dark to midnight and Rs. 7-8 from midnight to daylight.

3 The above charges are subject to a minimum of Rs. 80 for half night, but if more than one vessel is working at night, the sum of their charges may go to make up the minimum. For instance, if two vessels were working one crane each for six hours on export cargo, then the charges under the schedule would be for each vessel Rs. 18, but under this minimum rule they would each have to pay Rs. 40. If only one vessel is working, she must pay not less than Rs. 80 for the half night.

By order of the Commissioners,

C. KILLICK,

Acting Secretary.
